

The ENC Society was implemented to create a culture of giving.

Its purpose is not only to provide resources for our students, but also to assist you in attaining a legacy that will last for years to come.

Winston Churchill said,
"We make a living by what we get,
but we make a life by what we give."

Experience the joy of giving by helping others achieve their dreams and desires.

The ENC Society is a way for ENC to give back to you, after all you have entrusted to us. To thank you for your commitment throughout the years, we would like to offer you Charter Membership in the ENC Society.

The following are benefits you will receive because of your special distinction in the ENC Society:

- Gold status
- The Gold Card, featuring discounts to the school store, and several local restaurants
- Free admission to school sponsored plays, concerts, and discounts at campus events
- Special VIP seating at ENC related functions
- Plaque with names of Charter Members displayed outside the President's Office

EASTERN NAZARENE COLLEGE

is a community where students are empowered to define their destination and achieve their dreams in the context of a Christian liberal arts environment.

Those who journeyed this path at ENC have received personal success and significant achievements.

Because of partnerships and financial investments of those who recognize outstanding potential, students have the opportunity to make a difference in our world.
